BIOLOGY

What Can I Do With This Major?

Division of Academic Affairs

What Is Biology?

Biologists study the origin, development, anatomy, function, distribution, and other basic principles of living organisms. UCF offers B.S. in Biology and B.S. in Pre-Professional Concentration.

University of Central Florida Career Services & Experiential Learning

Biology Department BL 210 (407) 823-2141 <http://www.cas.ucf.edu/biology/>

UCF Clubs and Organizations

American Society of Microbiology — Student Branch

- To provide information about molecular biology & microbiology careers & opportunities while meeting fellow science students socially & in community service activities.

Biology Graduate Student Association

- <http://biology.ucf.edu/~bgsa/>
- The University of Central Florida BGSA was established in 1997 to provide opportunities for UCF biology students to participate in extracurricular activities in Biology. These activities include seminars, social events, and service activities.
