COMMUNICATIVE DISORDERS

What Can I Do With This Major?

Division of Academic Affairs

What Is Communicative Disorders?

The field of Communicative Disorders is made up of speech-language pathologists and audiologists. They are concerned with the evaluation, treatment, and research into human communication and its disorders. UCF offers B.A. and B.S. in Communicative Disorders.

UCF Clubs and Organizations

National Student Speech Language Hearing Association (NSSLHA)

- <http://pegasus.cc.ucf.edu/~nsslha/>
- The purpose of the UCF chapter of NSSLHA is to encourage professional interest among university students in the study of human communicative disorders. It also provides resources regarding professional information and is a vehicle for student representation in matters of professional concern.

Association for Educational Communications and Technology (AECT)

- <http://pegasus.cc.ucf.edu/~ucf-aect/AECT2004/home.html>
- The purpose of UCF-AECT is to provide a regional focal point for people interested in the use of technology in training and education.
