# COMPUTER SCIENCE

## What Can I Do With This Major?

Division of Academic Affairs

## What Is Computer Science?

Computer scientists are professionals who usually design computers and the software that runs them, develop information technologies, and develop and adapt principles for applying computers to new uses. UCF offers a B.S. in Computer Science and Information Technology.

## UCF Clubs and Organizations

### *Computer Combat Simulation Club*

- <http://www.ucflan.com/>
- To provide a venue for students to come together to play PC and console games and meet other students with similar interests.

### *PC Gaming Enthusiasts Club*

- <http://www.lanknights.net/>
- To provide an environment for all types of students to enjoy computer games. The organization will sponsor and encourage events, competitions, and conferences to promote interest and involvement in the PC Gaming Enthusiasts Club.

### *Association for Educational Communications and Technology (AECT)*

- <http://pegasus.cc.ucf.edu/~ucf-aect/AECT2004/home.html>
- To provide professional opportunities and support to students engaged in the study of technology as applied to the design of instruction.
