Student Testimonials

The Early Childhood Program has enriched me with the knowledge I need to be a positive role model in the lives of my students. My professors, coordinator, and advisor will be life-long mentors of mine that I know I will always be able to count on. I am prepared to step out into my own classroom and make a difference in the diverse world of education.

—Shannon, Early Childhood Education

Throughout my years in the College of Education, I feel that the Elementary Education program has allowed me to gain knowledge and experience in my field. I feel that as a result of the Elementary Education program, I have the confidence to become a successful educator.

—Laura, Elementary Education

The knowledge, support and real world experiences I have gained from my professors in the English Language Arts Education program are unparalleled. Due to the education I have received, I know that I will be able to leave a positive impact on the lives of my students.

—Mandy, Secondary Education

EDUCATION

What Can I Do With This Major?

Thinking of a Career in Education?

The role of the College of Education at the undergraduate level is to provide a high-quality education for students in preparation for careers in professional teaching in early childhood, elementary, secondary, exceptional, physical, technical education, and sports and fitness professionals. The College of Education is dedicated to preparing professional educators who meet the needs of our schools and society.
