MANAGEMENT INFORMATION SYSTEMS

What Can I Do With This Major?

Division of Academic Affairs

What Is Management Information Systems?

Management Information Systems (MIS) are the applications of information technology to support business activities. The MIS major combines computer-related courses with other business courses to develop knowledgeable students who can work well in corporate environments and apply technology to design systems to solve business problems. UCF offers a B.S. in this major.

UCF Clubs and Organizations

Management Information System Association (MISA)

- <http://pegasus.cc.ucf.edu/~misa/>
- The purpose of MISA is to foster among students a better understanding of the vital business role of information systems, the proper relationship of information system to management, necessity for a professional attitude among members and to supply members with current and relevant information in the field of MIS.

Student Health Information Management Association

- <http://pegasus.cc.ucf.edu/~shima001/>
- To promote careers in Health Information Management. We will work with faculty, administration, and professionals in the field to encourage a continuing quality HIM program.
