### Student Testimonials

The Early Childhood Program has enriched me with the knowledge I need to be a positive role model in the lives of my students. My professors, coordinator, and advisor will be life-long mentors of mine that I know I will always be able to count on. I am prepared to step out into my own classroom and make a difference in the diverse world of education.

—Shannon, Early Childhood Education

Throughout my years in the College of Education, I feel that the Elementary Education program has allowed me to gain knowledge and experience in my field. I feel that as a result of the Elementary Education program, I have the confidence to become a successful educator.

—Laura, Elementary Education

The knowledge, support and real world experiences I have gained from my professors in the English Language Arts Education program are unparalleled. Due to the education I have received, I know that I will be able to leave a positive impact on the lives of my students.

—Mandy, Secondary Education

## **Thinking of a Career in Technical Education and Industry Training?**

This program is committed to helping those pursuing careers in technical education and industry/business training attain the highest degree of competence possible in their chosen field. Emphasis is placed on the intellectual growth of each student using research based effective teaching techniques, scholarly learning, laboratory-field experience, and leadership development. The program responds to the needs of a wide array of institutions including secondary and postsecondary schools, vocational/technical centers, junior and community colleges, universities, military, and professional organizations in an effort to improve the quality of instructional personnel in these various professional settings.
